OVERVIEW SCHEDULES

Schedule 1 Floor Plan of the Leased Property

Schedule 2 Delivery Report

Schedule 3 General Conditions

THIS LEASE AGREEMENT (THE LEASE) IS ENTERED INTO BETWEEN:

(1) **INPROBA BEHEER B.V.**, a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*), incorporated under the laws of the Netherlands, with its statutory seat at Baarn, registered office at (3741 GP) Baarn at Hermesweg 17 and registered with the Trade Register of the Dutch Chamber of Commerce under number 31027732 (the **Lessor**); and

(2) **INPROBA B.V.**, a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*), incorporated under the laws of the Netherlands, with its statutory seat at Baarn, registered office at (3741 GP) Baarn at Hermesweg 17 and registered with the Trade Register of the Dutch Chamber of Commerce under number 31027731 (the **Lessee**);

hereinafter individually referred to as a **Party** and collectively as the **Parties**.

RECITALS:

(A) The Parties acknowledge that a lease relationship has already existed between them, which is now being formalised in this written agreement.

(B) The Parties have agreed to a Lease on the basis of what is referred to as a 'triple net' lease, which (in short) means that the costs and charges due in connection with the maintenance, insurance and taxes for the Leased Property will be for the Lessee's account and risk.

(C) The triple net lease referred to in recital (A) by no means implies that the Lessee can or should be regarded as the beneficial owner of the Leased Property.

(D) In this lease agreement (this **Lease**), Parties wish to lay down the conditions under which Lessee will lease the Leased Property from Lessor.

NOW HEREBY AGREE AS FOLLOWS:

1 THE LEASED PROPERTY, INTENDED USE

1.1 Lessor leases to Lessee, and Lessee leases from Lessor, the business premises, parking area, located at **Hermesweg 17, 3741 GP Baarn, the Netherlands**, recorded in the Land Register as **Municipality of Baarn, Section H number 2736** (the **Leased Property**). The Leased Property is further indicated on the floor plan initialled by the Parties and attached to the Lease as Schedule 1 (*Floor Plan of the Leased Property*) The condition of the Leased Property on the handover date is described in the delivery report (*proces-verbaal van oplevering*) to be initialled by the Parties and is attached as **Error! Reference source not found.** (***Error! Reference source not found.***).

1.2 The Leased Property is designated to be used by or on behalf of the Lessee as distribution centre, warehouse, production facilities, office accommodation and parking facilities.

1.3 The Lessee is not permitted to give the Leased Property a designated use other than the one mentioned in Clause 1.2 of this Lease, without the prior written permission of the Lessor.

2 CONDITIONS

2.1 The "GENERAL TERMS AND CONDITIONS FOR LEASE OF OFFICE ACCOMMODATION and other commercial accommodation within the meaning of article 230a, Book 7 of the Dutch Civil Code", filed with the registry of The Hague District Court on 17-02-2015 and registered there under number 15/21 (the **General Conditions**), form part of this Lease and are attached as Schedule 2 (*General Conditions*). The Parties are familiar with the content of these General Conditions. The Lessee and Lessor have received a copy of the General Conditions.

2.2 The General Conditions referred to in Clause 2.1 of this Lease are applicable, except for those cases in which there is a specific deviation from those provisions in the Lease or in which the application of those provisions is not possible with regard to the Leased Property.

3 DURATION, EXTENSION AND TERMINATION

3.1 This Lease supersedes and terminates all previous rental agreements relating to the Leased Property.

3.2 The Lease shall commence on the date of signing (the **Commencement Date**) and has been entered into for a period of **five (5)** years.

3.3 After the expiry of the period referred to in Clause 3.2 of this Lease, the Lease will be continued twice for a period of five (5) years, unless notice of termination is given by only the Lessee in accordance with Clauses 3.4 and 3.5 of this Lease. After the extended period of two times five (5) years, the Lease will then be continued for consecutive periods of five (5) years, unless notice of termination is given by the Lessee or the Lessor in accordance with Clauses 3.4 and 3.5 of this Lease.

3.4 The Parties may terminate the Lease by notice of termination with effect from the end of the – at that moment – current lease period with due observance of one (1) year.

3.5 The notice of termination must be given by bailiff's notification or by registered letter.

4 RENT, TURNOVER TAX, RENT REVIEW, PAYMENT OBLIGATION, PAYMENT PERIOD

4.1 The initial annual rent of the Leased Property on the Commencement Date is EUR 986,652 (in words: nine hundred eighty-six thousand six hundred fifty-two euro) excluding turnover tax.

4.2 The Parties agree that the Lessor charges turnover tax on the rent.

4.3 The Parties declare in reference to article 11, first paragraph, subparagraph b under 5 of the Turnover Tax Act 1968 (*Wet op de omzetbelasting 1968*) that they have agreed on taxed rent. Turnover tax will also be charged on the payment that the Lessee must make for the supply of goods and services by or on behalf of the Lessor, as provided for in Clause 5 of this Lease and Clause 18 of the General Conditions, if applicable. By signing this Lease, the Lessee declares - also for the benefit of the Lessor's legal successor(s) - that the Leased Property will be used permanently for purposes for which there is a complete or nearly complete right (i.e. at least 90%) to deduction of turnover tax as laid down in article 15 of the Turnover Tax Act 1968.

4.4 The Lessee's financial year runs from 1 January to 31 December.

4.5 The rent is reviewed on 1 January every year, for the first time on 1 January 2026, in accordance with Clauses 17.1 to 17.3 of the General Conditions.

4.6 The Lessee will no longer owe turnover tax on the rent if the Leased Property cannot or no longer be leased subject to turnover tax, even though the Parties had agreed to this. In this case, the Lessee will compensate the Lessor for the turnover tax damage as referred to in Clause 19.1 (a) and 19.1 (b) of the General Conditions and as sufficient documented by the Lessor. The Lessor or its legal successor(s) shall cooperate if the Lessor requests to have the documented (turnover tax) damage amount audited by an independent chartered accountant.

4.7 The Lessee's payment obligation is made up of the following components:

For each payment period of one (1) calendar month, the following amounts apply to the Lease on the Commencement Date:

(a)	the rent;	EUR 82,221
(b)	the turnover tax due on the rent	EUR 17,266.41
	Total amount per calendar month (in words: ninety-nine thousand four hundred eighty-seven euros and fourty-one cents)	EUR 99,487.41

4.8 The periodic payments to be made by the Lessee to the Lessor under the Lease as stated in Clause 4.7 of this Lease, are due in a single amount, in advance, and in euros, and must be paid in full on or before the first day of the period to which these payments refer.

4.9 Unless otherwise stated, all amounts in this Lease and the accompanying General Conditions exclude turnover tax.

5 SUPPLIES AND SERVICES

5.1 The Lessor will not provide any supplies or services to the Lessee.

6 SECURITY

6.1 Upon request of the Lessor, the Lessee will, as soon as reasonably practicable, provide a bank guarantee to the Lessor for an amount equal to three (3) months rent.

7 MANAGER

7.1 Until the Lessor gives notice to the contrary, the Lessor will be the property manager.

7.2 Unless otherwise agreed in writing, the Lessee is required to consult the property manager with regard to the content and all further matters relating to the Lease.

7.3 Notice of termination of the Lease must be sent to both the property manager and the Lessor.

8 INCENTIVES

8.1 The Parties declare that no incentives have been agreed upon between them, other than included in the Lease.

9 PARKING FACILITIES

9.1 The Lessee has the exclusive right to use of the parking facilities on the Leased Property, as visualised in Schedule 1 (*Floor Plan of the Leased Property*). The parking facilities are allocated by the Lessor and are intended for the use of passenger cars only.

10 SPECIAL CONDITIONS

Triple Net Lease

10.1 The Lessor leases the Leased Property on a triple net lease basis, which means that subject to this Clause 10 all current and/or future costs, charges, claims, rights, taxes, fees, insurance premiums (as referred to in Clauses 10.3 up to and including 10.5 (*Insurance*)), due in connection with the ownership, the use, the general maintenance or the general upkeep of the Leased Property will be for the risk and account of the Lessee. This also applies if such costs, charges, claims, rights, taxes, fees, insurance premiums are for the Lessor's account by law or otherwise, in which respect the Parties agree that this triple net Lease by no means implies that the Lessee can or should be regarded as the beneficial owner of the Leased Property. In case costs are oncharged by the Lessor to the Lessee, the Lessor will issue a correct and valid VAT invoice in this respect.

Maintenance, repair and renewal

10.2 The Parties have agreed that the Lessee will be responsible for the day-to-day maintenance of the Leased Property. The Lessee is obliged to execute any repair and maintenance works (excluding renewal works, meaning major replacements or structural works beyond normal repair) to the Leased Property, to the extent necessary to ensure the day-to-day safety of the Leased Property and that it is fit for purpose up to reasonable standards. With regard to the remaining Lessor's maintenance, repair and renewal obligations of the Leased Property, the General Conditions apply.

Insurance

10.3 The Lessor shall be responsible for insuring the Leased Property for its own account in the manner that is usual on the Dutch market and against the usual risks by means of insurance policies on the prevailing market terms. The insurance policies must in any event include buildings insurance (*opstalverzekering*) and the Lessor shall insure the Leased Property against full or partial destruction for the replacement value of the Leased Property, inclusive of the associated reasonable fees and/or costs. Risks that cannot reasonably be insured on satisfactory conditions or against a reasonable premium will be regarded as uninsurable risks and will be for Lessor's account. The Lessor shall charge the premium for the insurance of the Leased Property to the Lessee.

10.4 The Lessee must ensure that the relevant requirements of the aforementioned insurance policies are observed at all times and will inform the Lessor promptly of any alterations or adjustments to the Leased Property that are or could be relevant to the insurance policies.

10.5 The Parties will provide one another with all information necessary to comply with the insurance obligation(s).

Taxes

10.6 In addition to the taxes, burdens, levies and premiums as set out in Clause 20.1 of the General Conditions, if the Lessor is assessed, the Lessor will charge to the account of the Lessee: taxes and levies (if any), amongst others, however not limited to, energy tax – all in relation to the Leased Property.

10.7 All real, not personally related taxes, charges, levies, etc. (under any name or in any form whatsoever) that are related to the ownership, the use, the general maintenance or the general upkeep of the Leased Property will be for the account of the Lessee, even if the Lessor is assessed. The Lessee will explicitly not be liable for the payment of (i) any income or profit related taxes of the Lessor, and (ii) any other taxes, charges, levies, etc. if such relate to works which are according to the Lease and/or the General Conditions for the Lessor's account.

Access to the Leased Property by the Lessee

10.8 The Lessee is entitled to access the Leased Property 24 hours per day, 7 days a week.

Redelivery

10.9 In deviation from Clause 22.1 of the General Conditions, the Lessee will be entitled to redeliver the Leased Property 'as is' at the end of this Lease, meaning in the condition it is in at the end of this Lease. For the avoidance of doubt: the Lessee is entitled (but not obliged) to remove (part of) the fit-out and/or changes or additions it has made to the Leased Property (if applicable).

Leased Property

10.10 The Leased Property consists of the core and shell of the relevant (parts of) the respective building(s), the building-related (*gebouwgebonden*) technical installations thereto and the surrounding grounds. For the avoidance of doubt, the machinery and/or equipment that is especially installed in, on or to the Leased Property (or to be installed) to run the Lessee's business does not form part of the Leased Property. Parties commit to draw up an itemised list (demarcation list) of relevant machinery or equipment which can be added as a schedule to this Lease at any time deemed relevant by the Lessee or the Lessor.

Sublease

10.11 Except as permitted under Clause 6.3 of the General Conditions, the Lessee is not permitted to sublet the Leased Property or give the Leased Property into use, either partly or wholly, without the prior written approval of the Lessor.

Perpetual clause and contract takeover

10.12 In the event of sale and transfer of the Leased Property by the Lessor to a party, the Lessor shall ensure that its legal successor(s) is (are) bound by all the provisions in this Lease, by assigning its rights and obligations under this Lease in accordance with article 6:159 of the Dutch Civil Code to its legal successor(s).

Miscellaneous

10.13 Schedules and recitals form an integral part of this Lease.

10.14 Any communication in connection with this Lease shall be in writing and unless otherwise stated in this agreement, may be given in person, by email and/or mail at the addresses stated at the signature page.

10.15 This Lease may be signed in counterparts.

10.16 This Lease is governed by Dutch law and the court of Amsterdam, the Netherlands shall have exclusive jurisdiction and each addressee to this Lease irrevocably submits to the jurisdiction of such court.
